WE NEED YOUR TREASURES!

Please start to put aside any items you may have for
our Parish Flea Market. Due to our lack of storage
space, however, we ask that you do not bring any of
these items to the hall until **Sunday, October 22**.

You can bring items such as:

Electronics: Please be sure that you include any **power
cords** that are required and attach them to the item; (do
not worry about batteries which we can provide); If your
item requires a **disk** to make it work (such as a printer),
please provide the disk.

Tools: They sell very well

Appliances: Please be sure that you include any **power
cords** that are required by the item. Old appliances sell well
if they work. If they are broken, please do not bring them.
It would be appreciated if the item was **clean** from kitchen
grease.

Clothing, Bedding, and Rugs: Used clothes are not our
best sellers, but we do accept them. Please be sure that
they are not filthy or torn. Pillows, sheets and blankets also
sell if they are not torn or stained. We accept small area
rugs as well.

Jewelry: These are good sellers but, do not expect gold
jewelry to be sold at gold prices – remember, this is a flea
market, we take whatever is our best offer (usually well
below what an item is worth).

Art, Posters, Frames, and Mirrors: We accept these as
well, but **empty** picture frames do not sell well.

Household items: Sometimes dishes and glasses sell well
and sometimes they do not, but we certainly accept them.
Sets of fine China and crystal will be sold with ordinary
dinnerware, as most people are not interested in quality
items these days. We accept **clean** pots and pans as well.

Toys: These sell well if they are not broken.

Seasonal decorations: Christmas and other seasonal
decorations items sell if they are not broken.

Books, Records, CD's/DVD's: These items usually sell
well.

NO bulky furniture please: Most who come to the flea
market do not have trucks to transport large, bulky items.
